

Achieve & Maintain Compliance with the SDWA

Complimentary Training Workshop for Small Systems

RCAP/AWWA is offering a **FREE** one-day workshop on compliance with the **Safe Drinking Water Act (SDWA)** and steps to avoid costly violations. This workshop is made possible by funding through the USEPA and AWWA's partner, the Rural Community Assistance Partnership. Priority seating will be given to Small System Representative (<10,000 persons served).

December 7th 7:30am
sign-in

Easton Volunteer Fire Dept.

315 Aurora Park Dr.
Easton, MD 21601
Workshop from 8am – 5pm
Lunch will be provided

The Workshop will cover the following topics:

- Regulatory Review
- Coliform Sample Collection
- Disinfection Byproducts (DBP)
- DBP Treatment Strategies
- Flushing
- Controlling Lead and Copper

Who Should Attend?

Operators, Superintendents, and Managers of Small Drinking Water Systems

Continuing Education Units

The workshop is being submitted to MDE for 7.5 hours of CEUs, including process credit hours.

Register On-Line!

You can register for this event online, through our website www.csawwa.org or by [clicking here](#).

Attend this workshop, and you will be able to:

- Achieve and maintain compliance with drinking water regulations and avoid costly violations
- Apply a multiple barrier approach for prevention of microbial contamination of your water
- Disinfect your water appropriately and inactivate microbial contaminants
- Evaluate the treatment alternatives that help minimize DBP formation
- Optimize treatment plant and distribution system operations to minimize DBP formation
- Describe the importance of the distribution system in maintaining water quality
- Apply the regulatory requirements of the Lead and Copper Rule to your system
- Calculate the 90th concentration
- Recognize factors that will impact the release of lead and copper
- Take action to protect consumers from lead and copper

This program is being offered as a collaboration between RCAP and AWWA. The local section representatives from these organizations are responsible to promote and deliver this training, and look forward to seeing you there!
