

Free Training Workshop for Small Water Systems

Achieve & Maintain Compliance with the SDWA

RCAP/AWWA is offering a **FREE** one-day workshop on compliance with the Safe Drinking Water Act (SDWA) and steps to avoid costly violations. This workshop is made possible by funding through the USEPA and AWWA's partner, the Rural Community Assistance Partnership. Delaware Office of Drinking Water and DNRC representatives will be presenting, and available throughout the program. Priority seating will be given to Small System Representative (<10,000 persons served).

April 30th 2018
Tidewater Utilities
